TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L.S.)

To the Inhabitants of the Town of Newton in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Newton on Tuesday, the 13th day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear reports of Town Officers and pass any vote relating thereto.

4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the Town not used for public purposes.

6. To see if the Town will raise and appropriate \$261.51 to receive \$1,743.42 for Class V Roads.

7. To see if the Town will vote to authorize the Selectmen to have full jurisdiction of the installation of all new street lights, having regard to the safety of the general public.

8. To see if the Town will vote to raise the sum of \$300.00 for new tops on two reservoirs: one at Newton Junction, and one by the Main Fire Station at the Center. Also new metal posts and heavy wire fencing for the fire well on Peaslee Crossing Road near William Page's residence.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and sixty-two.

JAMES A. MARDEN

WILLIAM A. BAKER

ROBERT E. FRYER

Selectmen of Newton.

A true copy of Warrant—Attest:

JAMES A. MARDEN

WILLIAM A. BAKER

ROBERT E. FRYER

Selectmen of Newton.

REPORT OF TOWN MEETING

NEWTON, N. H.

MARCH 15, 1961

The meeting was called to order at 8 p.m., by the moderator, Clifford R. Bryer, who called on Howard Bowen to open the meeting with prayer.

Article 1. Results of the balloting on Tuesday, March 14th, for town officers, were read by the moderator. On motion of Everett Coombs, for the Finance Committee, it was voted that all officers not elected by ballot be appointed by the Selectmen.

Robert Rowe and Raymond Estabrook were sworn in by the Town Clerk.

Article 2. On motion of Everett Coombs, for the Finance Committee, it was voted to accept the list of estimated expenditures for the ensuing year 1961, appearing on pages 11 and 12 of the 1960 Town Report, excluding the item of school taxes, as the Town Budget for the year 1961, and to raise and appropriate an amount necessary to cover the same.

Article 3. On motion of Everett Coombs, for the Finance Committee, it was voted that the reports of Town Officers as they appear in the Town Report be accepted.

Article 4. On motion of Everett Coombs, for the Finance Committee, it was voted that the Selectmen be authorized to hire money in anticipation of taxes.

Article 5. On motion of Fred Cust, it was voted to authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the Town not used for public purposes.

Article 6. The moderator stated that we would pass over this article because it is already in the budget.

Article 7. A motion was made and seconded, to raise and appropriate an additional \$500.00 for the Police Department. An amendment was made to strike out \$500.00 and substitute \$250.00. The amendment was put to a vote, and was lost. The original motion was put to vote, and was carried.

Article 8. On motion of Ralph Bean, it was voted to install and maintain a street light on Peaslee Crossing Road near the residence of Charles J. Chrigstrom.

Article 9. A motion was made by Kenneth Field to install and maintain a street light on Route 108 near the residence of Paul Morse. The motion was lost.

Article 10. A motion was made by Roland Estabrook that the Town vote to raise and appropriate the sum of \$1,450.00 for the following:

- (1) 2500-watt portable generator and lights
- (2) Six coats
- (3) Six helmets
- (4) One 40-ft., 3 section, wooden extension ladder
- (5) One 14-ft. roof ladder
- (6) Two 50-amp. generator and voltage regulators
- (7) Scott Air Pac

The Finance Committee reported they now approve the amount requested.

After discussion, an amendment was made to the motion by Horace Williams, that we strike out the second and third items for coats and helmets. The amendment was seconded, and put to vote, but the amendment was lost. The original motion was then put to vote, and was carried.

It was voted that the Town accept the Police cruiser. (The car was donated, fixed up by police officers, and has a two-way radio installed in it. It was registered by the Town.)

The moderator called for a report from the Industrial Committee. Wallace Nyberg reported they still have the \$300.00 which was appropriated. The only work done is on road maps. As Stanley Cheney, the chairman, moved out of town, the committee had been unable to accomplish more.

It was voted to adjourn at 8:55 p.m.

A true copy Attest: PEARL R. WILLIS, Town Clerk

AUDITORS' REPORT

Newton, N. H., January 23, 1962

This is to certify that we have examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, and Treasurer of the Gale Library Trustees and find them correctly cast and properly vouched.

EVERETT O. KELLY

ROBERT M. ROWE

Auditors

Newton, N. H., January 23, 1962

We hereby certify that we have examined the accounts of the Trustees of the Trust Funds of said town, together with a detailed statement thereof, and the particular trust to which they belong, with a statement of the receipts and expenditures with proper vouchers as required by Section 3, Chapter 162, of the Laws of 1915, and the amendments thereof.

We find the Trustees of the Trust Funds properly bonded.

EVERETT O. KELLY

ROBERT M. ROWE

Auditors

REPORT OF THE GALE LIBRARY TRUSTEES

This past year, in addition to performing the regular duties required to operate and maintain the Gale Library, the trustees had new steps put on the front of the building. These were sorely needed as the old steps were very rotten and unsafe. We also had some new book stacks made, inside the building. We have purchased many fine books and have had the gifts of other books.

The Gale Library observed National Library Week, April 16-22, 1961 and entered the New Hampshire State Contest. Your library won an honorable mention and book prize in competition with over 60 other libraries. The theme nationally was "For a richer, fuller life — READ." Locally the theme was "Travel by Books." A very fine committee was organized consisting of the trustees, Mrs. Edward G. Hatch, librarian; Mrs. A. Ralph Estabrook, Mrs. Maurice W. Pelletier, Mrs. William J. Moisan, Jr., Mrs. Gordon A. Cheney, and Mrs. Leo H. Storey. There were many fine exhibits from countries around the world, countries that can be visited by books. There were also some outstanding exhibits of American Literature and Authors.

On Saturday afternoon open house was held and movies were shown. "Kioni Poi Pounder" — "The hands that made America" — and "New England Calling."

Miss Shirley Barker, the well known New Hampshire author, presented prizes to the winners of the Explorers Book Club contest.

Throughout the entire week special exhibits of books and materials, as well as talks and the showing of the movies, were presented to the pupils of the Newton Schools by members of the committee.

All in all a very satisfactory library week was enjoyed by all.

The application of your library for state aid from the State of New Hampshire was turned down. The reason? Newton does not appropriate enough money for the library.

In the death of Mr. Ralph Bowen, the library lost a good friend. Mr. Bowen had been a trustee for a number of years and a good worker. The sympathy of the present trustees and librarian is extended to his widow, his son, and grandchildren.

In conclusion, we wish to thank our friends of the Kingston-Newton Garden Club for the lovely arrangements placed weekly in the library. Also to those who have donated their magazines, books and services to the library and its readers, we extend our thanks.

J. PHILIP WEBBER, Chairman

POLICE CHIEF'S REPORT

To the Board of Selectmen

Newton, N. H.

Gentlemen:

The Police Department wishes to commend the townspeople, at this time, for their co-operation and understanding, during the past year. The long hours of the department, in local police work, makes it worthwhile when the townspeople show such respect and gratitude. The department believes that their success and progress of this year, is due, primarily, to this co-operation. Conditions have improved tremendously.

The churches, schools and people of the town responsible for organizing and leading the children in youth groups, should be commended. Youth seeks companionship and under this decorous leadership, our youth will benefit.

The Police Department was assisted by the BB's, in organizing the annual Hallowe'en party, this past year. The party was held at the town hall, with a large number of children attending. The financial help of town merchants and individuals helped make this party a success.

Funerals were escorted through town, again this year, as one of the voluntary duties of the department. A plaque was presented to the department, from the Baptist Church, for their traffic duties on Sundays.

Work of the Department:

Arrests	4
Auto Accidents (reported and investigated)	16
Complaints received and investigated	149
Hours in Court	74 hours

An Appeal From Your Forest Fire Warden

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some fires.

but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

Respectfully submitted,

MERTON A. WEBBER

District Fire Chief

Annual Report
OF THE
School Board
OF THE
Town of Newton, New Hampshire

OFFICERS OF THE SCHOOL DISTRICT OF NEWTON

BOARD OF EDUCATION

John F. Swasey, Jr., Chairman	Term Expires 1962

Lorraine Lukas (elected annually)	District Clerk
Otis R. Rowell (elected annually)	District Treasurer
Everett E. Coombs (elected annually)	District Auditor
Everett O. Kelly (elected annually)	District Auditor
Dorothy Rowell (appointed)	Census Taker
Paul Morse (appointed)	Truant Officer
Wendell V. Davis	Superintendent of Schools

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Newton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the fifteenth day of March 1962, at six o'clock in the afternoon, to act upon the following subjects:

1. To choose all necessary School District Officers for the year ensuing.

2. To hear the reports of Agents, Auditors and Committees or Officers chosen and pass any vote relating thereto.

3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

4. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies.

5. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriations of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

6. To see if the district will approve the formation of a School Building Committee of seven members to be composed of one selectman, one school board member and five members-at-large to be appointed by the Moderator, and vote to raise and appropriate the sum of Twenty-five Hundred Dollars (\$2500.00) to be used for preliminary plans and necessary expenses for a proposed addition to the Memorial School.

7. To see if the school district will vote to establish a committee of five members, to be appointed by the Moderator for the purpose of studying secondary school needs.

8. To see if the district will vote to conduct the election of school district officials at the same time and the same place as the election of Town officials.

9. To transact any further business that may legally come before the meeting.

Given under our hands at said Newton this twenty-third day of February, 1962.

JOHN F. SWASEY, JR.

ELLEN F. BEAN

BARBARA R. MORSE

School Board

The Polls will be open to vote for District Officers from 6:00 to 8:00 p.m.

The other articles of the warrant will be taken up at 8:00 o'clock.

Records of the Annual School Meeting of the School District of the Town of Newton, March 16, 1961

The meeting was opened for balloting at 6:00 p.m. by the Moderator, Clifford R. Bryer. The polls were closed at 8:00 and the business meeting opened at 8:25 with the invocation offered by Elmer E. Young, Pastor of the Baptist Churches.

Article 1. The following officers were elected: Moderator, Clifford R. Bryer; Clerk, Mrs. Lorraine Lukas; Treasurer, Otis R. Rowell; School Board Member for three years, Mrs. Barbara Morse; Auditors, Everett O. Kelly and Everett E. Coombs. There were 120 Ballots cast.

Article 2. "To hear the reports of Agents, Auditors and Committees, or officers chosen and pass any vote relative thereto." On motion by Mr. John Swasey, Jr., the reports were accepted as printed in the report.

Article 3. "To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant." On motion by Mr. Fred Cust, the reports be accepted as printed in the report with Mr. Swasey making an amendment, that such officers not elected by ballots shall be appointed by the Committee.

Article 4. On motion by Mr. Cust, "The school board was authorized to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies."

Article 5. On motion by Mr. Swasey, Article 5 stand as approved. It was voted to accept the budget as printed.

Article 6. On motion by Mr. Swasey, "To see if the district will vote to raise and appropriate \$5,660 to provide an additional classroom for the 1961-1962 school year," be accepted as printed in the report. After discussion, Clifford Bryer called for a ballot vote. The result was: yes — 77; no — 25.

Article 7. On motion by Mr. Amos Owen, it was voted to raise and appropriate \$1,630 to assist the Parent-Teacher Association in carrying on the School Lunch Program, be accepted as written in the Town Report. Wallace B. Nyberg made an amendment that the Town continue paying \$1,130 as in the past. This amendment was accepted.

Article 8. Mr. Swasey moved that the District add the services of a teacher of Special Education to the Union Staff, effective on a Union basis in September 1962, be accepted as printed in the Warrant.

Article 9. Reverend Elmer E. Young moved that the "Formation of a School Building Committee of fifteen members, to be composed of three selectmen, three school board members and nine members at large, to be appointed by the Moderator; and to appropriate \$250.00 to be used for plans for future school building needs," be accepted as written in the Report. Mr. Swasey offered an amendment that this read, one School Board Member, appointed by the School Board; one Selectman, appointed by the Selectmen; and five members-at-large appointed by the Moderator. This amendment was accepted.

Article 10. "To transact any further business that may legally come before the meeting." On motion by Theodore A. Lukas, that the School District pay tuition and transportation to the Exeter class for mentally retarded children. Kenneth Field, Jr., made a final motion that all children who need to go to the Exeter School, be sent by the Town.

On motion by Wallace Nyberg, it was voted favorably, that the School District Officers be elected concurrently

with the Town Officers elections, using two separate ballot boxes.

It was voted to adjourn at 10:20.

LORRAINE M. LUKAS

School District Clerk

BUDGET WORK SHEET

This is a presentation of the budget work sheet upon which your school board has been operating during 1961-1962 and their estimated expenses for the year 1962-1963. It must be taken into consideration that monies appropriated in the month of March, to be used the following year, do not necessarily correspond in individual items, because of the impossibility of projecting the rising price indexes twelve months hence.

THE NEWTON SCHOOL BOARD

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Newton:

I am presenting herewith my Sixth Annual Report as Superintendent of Schools in Newton. A report from the Principal will discuss more in detail the activities of the schools. Statistical reports are listed separately.

PERSONNEL

Four new teachers, one former teacher and one part-time teacher were added to the teaching staff this year: Miss Mary Bakanosky, a graduate of Keene Teachers College, teaches grade 4 at the Village School; Mrs. Norma Bates, with teaching experience in Quincy, Massachusetts, teaches reading part-time in grade 1 at the Rowe's Corner School; Mrs. Adeline Bowen, who previously taught in Newton, returned to teach in grades 6-8 at the Memorial School; Mr. John Costello, a graduate of Northeastern University, teaches grade 5 at the Community Hall adjoining the Memorial School; Miss June Merrill, a graduate of Keene Teachers College, teaches grade 3 at the Village School; Mr. Lucien St. Cyr, a graduate of Keene Teachers College, teaches in grades 6-8 at the Memorial School.

All teachers have continued membership in local, state and national professional organizations.

The teachers have prepared a salary schedule for next year. The schedule is realistic and compares favorably with schedules in other towns in the area. Such a schedule permits us to hire well-qualified teachers, encourages our younger teachers to stay with us, as well as rewarding our older teachers for their many years of experience. A feature of the salary schedule requires teachers to seek additional credits periodically in order to advance on schedule.

CURRICULUM

The class in special education has continued to prove its worth. The School District also helps finance the education of two pupils in the trainable class in Exeter. The New Hampshire Legislature passed a bill this past year to aid school districts in financing such classes.

Through the generosity of the Parent-Teacher Association two television sets were provided. We will now be able to take advantage of the excellent programs broadcasted by Channel 11.

The School District has utilized funds provided by the National Defense Education Act which may be used for special projects in science and mathematics.

All the teachers and principals in Union No. 55 have taken it upon themselves to evaluate their own schools. This is a long-range program and they will self-evaluate their own school facilities, equipment, curriculum, subject matter, teaching methods and techniques. They will use as guides the latest evaluative criteria. From this study specific recommendations are expected and the teachers themselves will be much better teachers for having worked on the evaluation.

It is necessary, also, to constantly review current trends, and if we find ideas that will help us then we might do some experimenting. At present we are involved in departmentalization at the Memorial School. We feel that such a project has merit. Whether the trend relates to enrichment, acceleration, team learning or the use of teaching machines we wish to know what is the best and most practical solution for us.

HOUSING

At this time there are two major problems confronting the school districts of Plaistow, Hampstead, Atkinson and Newton. Namely, what to do about increased enrollments in the elementary grades and what to do about our high school students who may not have secondary facilities available for them.

Our projections of future school enrollments in Newton show a marked increase in the elementary school enrollment as evidenced by our pre-school census. Our first grade this year is overcrowded and it is expected that each succeeding first grade will come in over forty, and most of them may be well over forty. Next year the School Board is planning to have two first grades, which will mean having a room in one of the churches. Obviously this is not the best solution and some sort of a building program should be initiated to adequately house your elementary grades.

Another problem is the future housing of your high school students. I am recommending that the school districts of Atkinson, Hampstead, Newton and Plaistow join together and build a regional high school; grades 7-12. Such a school will not only take care of your high school students, but will release two to four rooms that would otherwise be needed to house your seventh and eighth grade pupils. If your seventh and eighth grades were educated in the regional school, I can visualize, eventually, the need for twelve rooms overall to house two sections each for grades 1-6. The pre-school census indicates two rooms each for each grade so it follows that probably the same number will move along in the next six years. You may wish to build so that additional rooms can be added on in the future. I believe that the Rowe's Corner School should be abandoned when and if you build additional rooms. The school is in need of major repair and I feel that any money put into it would be wasted.

Having your own regional school will permit you to have a voice in the administration of your school, in establishing a curriculum and setting the policies of the school. You do not have any such opportunity, at this time, to exercise any control over these matters. Furthermore, the curriculum for the seventh and eighth grades will be much improved over what we are able to offer now.

I believe that one or two procedures should be followed or combined. One would be to form a twenty-member committee, five members from each of the towns of Atkinson,

Hampstead, Newton and Plaistow, to study the advisability of building a regional high school. All of these towns have relatively the same problems, and you need the number of students that these towns will enroll to adequately provide the services and finances that such a school will offer.

The other possibility would be to hire a professional survey group to study your problems and advise. They can advise you as to whether it is better to add on to present buildings, discard old buildings, where to build and, in fact, give professional assistance in regard to whether one should build or not. If four towns join together in building such a school the State of New Hampshire will pay fifty percent of the construction costs.

Your School Board has continued to maintain the physical condition of the schools. Your custodians take pride in the appearance of the schools.

I would like to say that the Community Hall has provided a pleasant classroom for this year. There is a water and toilet problem, but otherwise it has been very satisfactory. We appreciate the cooperation of the Newton Junction Fire Association in making this room available, and in turn making single grades possible for the first time.

INVESTING IN QUALITY EDUCATION

The best way to attract good industry to your town or area is not to lower taxes. It is to have good schools. Labor supply, land cost, utility rates and taxes all take a backseat to the schools. A research laboratory is only as good as the men who work in it, and these men will not go to a new location unless they can be guaranteed good schools for their children. Support your School Board in their endeavor to provide quality education for your children.

APPRECIATIONS

To conclude, I wish to express my appreciation to the School Board, Principal, teachers and pupils for their help during the year.

May I also thank all civic organizations, parents and friends of the children for their generous support and keen interest in the activities in the Newton Schools.

Respectfully submitted,

WENDELL V. DAVIS,

Superintendent of Schools.

REPORT OF SPECIAL EDUCATION CLASS

Since last April the Special Education Class for Plaistow, Hampstead, Atkinson and Newton has been located in the former cafeteria at the Hampstead Central School. We have been provided with a large, light room ideal for our classroom and craft activities.

Our class started in September with 12 pupils, but in November 3 were added, making a total of 15 pupils. We have 4 from Atkinson, 4 from Hampstead, 1 from Newton and 6 from Plaistow. These pupils range in age from 11 to 17, with varying abilities and personalities.

We start each day with devotional exercises followed by singing. Opportunity is often given for Telling Time, when pupils share experiences with the other class members. This encourages oral self-expression and improves spoken language. We have three arithmetic groups working at levels from 2nd to 5th grades, and three reading groups. Because of speech defects and various reading problems, pupils are working from primer level to third reader level. In the small groups pupils receive word drill, phonetic help, and basic reading skills besides oral reading.

Most of the language work is oral and pupils are encouraged to express themselves in good sentences and to speak clearly. Written language has been used to express capitalization and punctuation.

Handwriting skills are practiced several times a week and penmanship papers are turned in weekly to the principal's office along with those of other grades.

This year in social studies we are studying about New Hampshire. The pupils have taken advantage of the Hampstead television set to watch "The Story of the Granite State" each Monday. This is an educational program at 4th grade level from Channel 11. The pupils are able to

see what they have been studying and so better understand their own state.

In science the students have studied about nature, the earth, the seasons and the weather. We have utilized the Grade 3 Science Program on television, too, when the pupils have learned about aquariums, terrariums, the seasons, electricity, sound, the eye, the ear, and other basic scientific studies. One of the lessons led to a field trip to the woods and around Sunset Lake, where we collected specimens for a terrarium for our classroom.

In health we emphasize personal hygiene, cleanliness and the care of our bodies. Each week the Music Supervisor, Mr. Williams, has a 15 minute class and classroom singing shows much progress over last year. Pupils were especially enthusiastic over Christmas music and at present are enjoying patriotic songs and learning our own state song, "Old New Hampshire."

An important phase of Special Class work is the Arts and Crafts program. Pupils are trained to use their hands and develop skills that may help later in earning a living. At Christmas time decorations and various gifts were made by the children. Art work is varied to correlate with reading, social studies, science or health lessons. Each class member has made a woven reed basket and many have made gravel pictures and kitchen plaques. Future projects will include leather and felt work. Funds for craft work are limited and we are especially grateful to Mr. and Mrs. Fred Gray for donations of glitter, foil, glue and leather scraps. The class would appreciate any gifts of yarn for spool knitting and regular knitting. We would be most appreciative of any books of grade 1 to 6 reading level that interested persons may wish to donate toward establishing a library for the room.

The responsibility of the Special Class teacher provides a tremendous opportunity for service to youth, and is very demanding of her resources and abilities; however, it is probably one of the most rewarding areas in the teaching

profession. I wish to express my sincere appreciation to the many people who have given their support and cooperation to the Special Education Class.

Respectfully submitted,

RUTH W. WEBSTER,

Special Class Teacher

REPORT OF THE PRINCIPAL

To the School Board and to Mr. Wendell V. Davis, Superintendent of Schools:

I hereby submit the annual principal's report of the Newton schools. It is the task of our schools to provide adequate training in the skill subjects, to help the child in his adjustments to his surroundings, to lead him in his own effort to develop any special abilities he may possess and to provide a foundation of good habits and attitudes which will prepare him for living in a world community.

To teach thrift is a primary obligation of public school education. "Stamp Day," held weekly in our schools, is an effective way of helping pupils learn the vital lesson of thrift. The purchase of saving stamps actually aids two causes — greater personal security in the future and greater national security now.

Once again we participated in the New Hampshire Spelling Bee sponsored by the Manchester Union Leader. Our school champion, selected by written competition, was Diane Melville. She has represented our school for three consecutive years and last year attained third place amongst the Rockingham County contestants which numbered more than thirty. The 1962 state championship final contest is scheduled to be held in April.

As usual the children look forward to the periodic visits of the State Library bookmobile because of the large and varied collection of books that are made available to schools of small communities. The bookmobile is of great assistance in supplementing and enriching the permanent collection of the school libraries. The collections are changed regularly and there is no cost to the school for this service.

Under the able coaching of Mrs. Dorothy Morse the girls' softball team experienced an all-win season in competing with teams of the surrounding towns. The boys were not quite so successful in their try to retain the baseball league trophy, which is annually presented to the outstanding team within the league. However, win or lose, these games provide excellent opportunities for out-of-town associations and for the development of good sportsmanship which is very important in character building.

Graduation Exercises for the class of 1961 were held at the Town Hall on the twentieth of June. "Science and America's Future" was the theme selected for the evening's program. Pamela Baker was presented the Good Citizenship Medal. This award is made annually by the Sons of the American Revolution to the student who, in the opinion of his teachers and fellow students has best exemplified the principles of good citizenship. Of the twenty-five graduates one is enrolled at Pentucket Regional, three at Amesbury High, two at Haverhill Trade and eighteen at Sanborn Seminary. Class Day, in part sponsored by the Parent-Teacher Association, took place as usual at Canobie Lake, followed by a dinner in Merrimac.

Legal holidays, special days, Fire Prevention Week, Book Week and American Education Week are always appropriately observed in our classrooms. During American Education Week a large number of parents visited our schools to familiarize themselves with our educational environment and enjoyed observing classes in operation.

Mrs. Gwendolyn Banks, R.N., school nurse, summarizes her health program services as follows: periodic cursory exams as recommended by the state, yearly vision and hearing tests, color perception in grade five, tuberculosis patch tests, and a check on heights and weights. Administering first aid, home visitations for referrals and the supervision of clinics likewise are a few of her services. Dr. Harris of Plaistow handled the annual health examinations with the assistance of Mrs. Banks. Audio-visual programs and classroom discussions on health problems are also presented at the teachers' requests.

The purpose of the music program in the Newton School System, reports Mr. Evan R. Williams, Music Supervisor, is one of musical growth, through individual enjoyment, and appreciation. Musical skills are developed by each child in activities of singing, listening, creating, performing, music reading, and rhythmic work. Proper introduction and distribution of these activities permits and encourages a child to further explore various phases of music within the school, home and community.

Throughout the year planned educational field trips were taken to the Peabody Museum, Hood's Farm, Lawrence Airport, the N. H. General Court, Science Museum, N. H. Historical Society Home and Benson's Animal Farm. These trips are arranged to serve as culminating activities in correlation with our various areas of study. Since the visits are correlated with the textbook program, his experiences are reinforced and therefore memorable.

The results of the Stanford Achievement tests, annually administered in October, enable the faculty, consultant and parents to diagnose the difficult areas of accomplishment. These results indicate each pupil's abilities to apply basic and present learning skills, and help identify educational strengths and weaknesses. This program is used only as a starting point from which teachers may help the pupil in overcoming his difficulties. Results are annually graphed on a pupil profile chart which indicates how the student compares with thousands of other pupils in his grade across the country and at the same time shows his own growth in comparison to his previous year's achievement.

The end of the P.T.A. School Lunch Program came quite suddenly on the 22nd of December. Several unsuccessful attempts were made to solicit additional voluntary helpers to serve the dinners at the Rowe's Corner and Village Schools. Because the required quota of volunteer mother servers was not obtained, the executive committee decided to discontinue the program under the sponsorship of the Newton P.T.A. It was a fine lunch program and will certainly be missed by all the children.

Our sincere thanks to the P.T.A. for sharing with the federal government through the National Defense Education Act in the recent purchase of two 21" television sets. As a new medium of education televised programs will be put into use at the Memorial and Village Schools in the near future. Because the experiences a child has while listening to or viewing a film or filmstrip are concrete, dynamic, and vivid, he is likely to remember them. Our library of filmstrips makes it possible for teachers to choose the materials that explain whatever she wishes to present. Much learning is best approached through aural and visual sense impressions; in fact, through such experiences children learn more, better and faster.

In conclusion, I wish to thank the Board of Education, Superintendent Wendell V. Davis, teachers, friends and local organizations for their untiring efforts in making the work of our schools enjoyable and successful.

Respectfully submitted,

MARION KALASHIAN,

Principal

ENROLLMENTS

Elementary Grades

The following tabulation shows the enrollment in the Newton Schools with grade assignments as of September 20, 1961:

Rowe's Corner School

Teacher	Grade	Number	Total
